We have had bad experiences with switching Manager lands an appointment	10 calls made	I am too busy	Send me an email	Land an appointment
Call me back in a few months	We have a tight budget	Land an appointment	20 calls made	Our headquarters isn't local
We are in a good place right now	Your manager lands an appt	FREE	30 calls made	I have never heard of your company
Is it free?	This isn't a good fit for our company	Land an appointment	I am not the only decision maker	Land an appointment
I am about to hop into a meeting can't talk right now	50 calls made	Land an appointment	lets you send a quote	Get hung up on
