

WHO IS THIS?

Energy can become overpowering and intimidating to others even when you don't intend to	Express your caring through acts of service	You are attracted to things that are unique and special	Sees potential in people and wants to help them succeed.	Can get along with almost anyone
Feels appreciated when your positive intentions are being acknowledged	Mistakenly believes that no one will like the real you so life becomes a performance for others' approval	Professional goal setter	Routine is your jam	Your drive and energy makes you the "motivator" and "role model" on a team
Ability to anticipate potential outcomes makes them the "risk manager" on teams	Living your best life. YOLO	Puts a positive spin on negative information or avoids negative subjects.	The world values a champion. You must avoid failure.	What can go wrong here and who can you trust?
Decisive and self-confident	Lack of affirmation leads you to believe you're not doing enough	No worries! I'm fine I don't need anything	Team player who fosters and thrives in a team environment	Understands and accepts people as they are
Ability to see point of views from all sides	Feels mutual respect when you stand your ground and are direct.	No need to rock the boat. I'll keep the peace.	Your affinity for change and willingness to try anything makes you the "visionary" on teams	There's a right way let me teach you
