I told a joke today.	I answered a call light on a hall not assigned to me	I did something for myself today.	I picked up 5 pieces of trash off of the ground.	I hollared Yee Ha on Farmer Day!
I brought a resident to an activity today.	I tidied an area in the building.	I made someone laugh.	I answered the phone with a smile.	I participated in the neon scavenger hunt with a resident.
I smiled at 10 people sincerely.	I took a resident a snack when it wasn't time.	FREE	I asked a resident a personal question about their past.	I got down to the residents level today.
I held the door open for someone.	I sang a song today for no reason.	I high fived someone.	I dressed up for 2 of the "dress up" days	I made a resident bed today.
I did something nice unexpectedly for a coworker or resident.	I asked someone from another dept if I could help them.	I participated in an activity (either individual or group)	I wore my badge.	I complimented a resident or coworker today.
