WHO IS THIS?

There's a right way to do things let me show you	Always thinks that the grass is greener somewhere else	I like to do things correctly with high standards	MDRT & IDA are important to me because it symbolises success & achievements	I usually present information to my clients via excel sheets.
I am attracted to things that are unique and special	Team player who fosters and thrives in a team environment	Living my best life & YOLO are what drives me as a person	Express my caring through acts of service	Sees potential in people and wants to help them succeed.
There's no need to rock the boat. I'll keep the peace.	Feels appreciated when my positive intention is being acknowledged	I speak fast and enjoy places with high energy	I tend to anticipate potential outcomes and think of the "what if" scenarios	Puts a positive spin on negative information or avoids negative subjects.
I tend to be quite passive when it comes to asking for a sale	Loves to set goals and go all out to achieve them	I make my decisions largely based on data and research	I'm often decisive and self-confident	Feels mutual respect when you stand your ground and are direct.
My energy can become overpowering and intimidating to others even when I don't intend to	I embrace change a lot and am willing to try new things.	What can go wrong in my approach and who can I really trust?	I enjoy seeing point of views from all sides	I often compare my achievements to others
