Started driving at 13 years old	I absolutely hate chocolate & peanut butter	I have visited over 30 countries	My 4th grade dedication song was "Short People" -- SO RUDE!	I was crowned Miss Baldwin Wisconsin in 1989
I have never been inside a casino	Ran Chevron half marathon	I will not eat meat off the bone EVER!	I am a private pilot	Lived in China 4 years & had a baby in Hong Kong
One foot is a whole size larger than the other	Studied opera from 6th grade to 21 years old	FREE	I cooked on CBS morning show in Beaumont	I walked across stage with my graduating class but still had to take a semester of summer school after my senior year!
I was a Home Economics teacher & county extension agent with 4-H	My picture appeared in Harper's Bazaar magazine	I was catcher on my little league softball team	I recently climbed to the top of the Eiffel Tower	I went to a university that had a ratio of 10 guys to every 1 girl
I ran the Houston Marathon	I double pierced my ears myself when I was in 8th grade	I'd like to make a career change & am taking classes towards a B.S. in nutrition	This year is the 25th anniversary of the sorority I founded in college	I have ridden in 3 MS 150 biking events
