

I've been spanked

on the couch	and it's online	for real reasons	on a bridge	in multiple states
by 2 people	on the beach	in the car	and made a video	in the woods
on my birthday	on top of a hill or mountain with a view	For being a brat	at a hotel	in front of a fireplace
in front of an audience	on a staircase	in front of my pet(s)	in every room of the house	in public
in a tent	at the office	in the kitchen	with another person getting spanked	by a woman
