Went for a walk outside	"Multi-tasked" during a call - free space?	Forgot to turn on your webcam	Took a call while outside	Ordered take-out
Forgot to go ON mute ????	Watched TV	Rearranged/cleaned within webcam frame?	(Over)indulged in comfort food	Talked to yourself
Vowed to watch/read less news	Wore pajamas to a "meeting"	FREE	Created a daily schedule	Met a neighbor for the first time
Missed your coworkers	Touched your face in the last 20 minutes	Never showered all day	Inventoried your TP stash	Professional on top/sweats on bottom
IM'd a coworker just to say hello	Did your FULL "hair & make-up Felt guilty about touching your face	Somebody walked in during a call	pLAYING GAMES	Forgot to go off mute
