

I've Spanked Someone

while another person was getting spanked	a woman	in every room of the house	on my birthday	in the car
at the office	on top of a hill or mountain with a view	in the woods	and it's online	on a staircase
on the couch	while on a phone call	For being a brat	and made a video	in front of my pet(s)
in multiple states	on the beach	in public	in front of an audience	in the kitchen
in front of a fireplace	at a hotel	on a bridge	while on video chat	in a tent
