I prefer salty over sweet foods	I am afraid of bugs	I enjoy playing sports	I like to eat candy	I have a tattoo
I enjoy exercising	I prefer dogs over cats	I know how to speak more than 1 language	I am afraid of heights	I like to be in nature
I never have broken a bone before	I prefer working on my own	FREE	I do not like pets	I feel like I have a good support system
I have a hard time talking to others about my issues	I like to work in a group	I have a pet	I enjoy talking to new people	I know how to play an instrument
I enjoy spending time with my family	I don't like doing math	I like listening to music	It is hard for me to make new friends	I enjoy learning new things
