

B	I	N	G	O
I prefer working on my own	I am afraid of bugs	I enjoy playing sports	I like to work in a group	I have broken a bone before
I enjoy exercising	I prefer to spend time alone	I know how to speak more than 1 language	I dislike being outside	I like to eat candy
I prefer sweet over salty foods	It is easy for me to talk to others about my issues	FREE	I do not like pets	I feel like I have a good support system
I have a pet	I prefer cats over dogs	I have a tattoo	I enjoy watching tv	I know how to play an instrument
I enjoy talking to new people	I don't like doing math	I like listening to music	It is hard for me to make new friends	I enjoy learning new things
