

B	I	N	G	O
It is easy for me to open up to other people	I am afraid of the dark	I enjoy exercising	I like working in a team	I have broken a bone before
I do not have a pet	I prefer working on my own	I like drinking soda	I am really good at math	I like to dance to music
I prefer salty over sweet foods	It is hard for me to make new friends	FREE	I can only speak 1 language	I enjoy watching TV
I feel like I have a good support system	I prefer cats over dogs	I have a hard time asking for help	I enjoy talking to new people	I know how to play an instrument
I enjoy playing sports	I dislike being outside	I like learning new skills	Making friends is easy for me	I do not like pets
