When you were a child what job did you want to have? (why?)	Did you have any unhealthy habits when you were a child? (why?)	Have there been any changes in your area recently? (why?/why not?)	What jobs do your parents do? (why?)	Is there any technology that you do not like? (why?/why not?)
Do you still want to do this job? (why?/why not?)	What technology do you often use; computers or mobile phones? (why?/why not?)	What is the busiest day of the week for you? (why?)	Do you do the same things on the same days every week? (why?/why not?)	What jobs do people in your home town usually do? (why?)
What positive change might happen in your life in the next five years? (why?)	Do you enjoy your course? (why?/why not?)	What do you like most about your area? (why?)	How do you learn a foreign language?	If you could change something you do every week what would you change?
What languages can you speak?	Is there any device you would like to own in the future? (why?)	What is your favourite day of the week? (why?)	What languages would you like to learn in the future (why?)	Have you changed a lot since you were younger? (why?/why not?)
Have there been many changes in your town or city recently? (why?/why not?)	What could you do to be healthier? (why?)	Do you generally like or dislike change? (why?)	Do you have any unhealthy habits (why?)	Which is more important to you - the teachers or the other students on your course? (why?)
