

We've had SEX

on the couch	In a bar/restaurant bathroom	in a hot tub	on a bridge	in the car
at the movies	on the beach	in the shower	In a dressing room	on an island
on top of a hill or mountain with a view	In a hammock	in the rain	in front of a fireplace	at a hotel
in front of someone else	on a plane	in public	in the woods	on a staircase
in a tent	in a room filled with candles	in the kitchen	On a chair	on top of a washing machine
