B	I	N	G	O
[tells a long pointless story about wife]	"Everyone else is going to hell."	"There is no evidence for evolution."	[Answers an argument by saying you must have faith]	"god wants you to worship him"
"Just a theory."	[quotes the bible as a valid source]	The bible has to be interpreted.	"God gives you free will which is why there is evil."	[bashes Darwin]
[tells crowd to be quiet]	"I was once a sinner."	**FREE**	"Without god there is no good."	"You cannot prove there's not a god."
[Uses a logical fallacy]	"You should believe in god."	[Accueses someone else of a logical fallacy]	"There is no such thing as chance."	"you cannot have morals without god."
"If you can't explain it it must be god."	[Bad Science]	"My god is the right god."	[yelling]	"Original Sin."
