Do you do the Covid boosters?	What do you mean no refills?	Is there a generic for that?	But I'm out!	Matt locked in a profile
What do you mean I have a deductible?	Where are your hearing aid batteries?	FREE	Can I get XXX over the counter?	I got a call text or message from the pharmacy
I have a coupon	There should be xxx amount of RX's	I lost them	I called this in earlier	I paid \$x.xx last time
I always have a problem here	Can I get some pseudoephedrine?	It says on my bottle...	someone waiting before we open	Do you take Good Rx?
