

Ice Breaker BINGO

My camp has <100 Campers/Session	Free Cell	I have been asked: "How religious is your camp?"	I have wanted to murder the printer	I have one or more Thank You cards posted in my office
I dislike my camp's website	My camp has 100 Campers/Session	I have received an email reply asking for info that could be found in the email they replied to.	I am a member of the Camp Office Team	My Camp is a Year Round Facility
My registration software is Awesome!	I am the Camp Office Team	FREEBIE	I have heard the phrase: " I know it says non-refundable BUT..."	I have heard the phrase: "I know it says your full BUT..."
My Camp is a Seasonal Facility	I have heard the phrase: "I know the deadline was BUT..."	I have used the phrase: "As per my previous email..."	I have had my ear talked off by a lonely caller	I have received an email asking for the start time of a camp
I am the Office Admin but I sometimes do _____ at camp	I love our website!	I handle Camper Registrations	My registration software is awful	I handle Guest Group Bookings
