

I've been spanked

on top of a hill or mountain with a view	and it's online	in a tent	on a staircase	in public
at the office	on the couch	in the kitchen	and made a video	on a bridge
on the beach	to tears	For being a brat	at a hotel	in front of an audience
in front of my pet(s)	on my birthday	in multiple states	in front of a fireplace	in the car
in every room of the house	at a spanking party	in the woods	with another person getting spanked	by a woman
