

Maths Vocabulary

subtract	area	distributive property	prime number	less than
denominator	repeated addition	multiple	array	perimeter
remainder	sum	FREE	associative property	factor
decimal	fraction	product	hundredths	quotient
equivalent	more than	divide	composite number	numerator

Maths Vocabulary

sum	product	perimeter	numerator	quotient
associative property	decimal	less than	denominator	more than
array	expanded notation	FREE	area	hundredths
subtract	composite number	tenths	prime number	multiple
distributive property	factor	fraction	equivalent	repeated addition

Maths Vocabulary

denominator	quotient	fraction	prime number	area
sum	perimeter	distributive property	decimal	more than
factor	expanded notation	FREE	associative property	array
composite number	remainder	less than	divide	numerator
repeated addition	subtract	hundredths	equivalent	difference
