Wrote a fanfic	Accidentally called your teacher "Mom"	Confused being horny with having to pee	Stayed in pajamas for 3 days	Horny but not for anyone real
Called someone the wrong name and panicked	Walked into a clear glass door or window	Masturbated right before going to sleep	Been incredibly horny on your period	Someone saw what 'stuff' you were watching
Walked in on someone naked accidentally	masturbated multiple times in a day	**FREE**	Binged an entire season in one day	Had a crush on a fictional character
Had a crush on a teacher	Stayed up till 4 am	Had an awkward goodbye handshake/hug moment	Got nervous ordering food and said the wrong thing	Masturbated right after waking up
Dropped your phone on your face while lying down	Called out to something in a dark house	Said something weird while half-asleep	walked into the wrong home	Confidently gave the wrong answer to something
