

B	I	N	G	O
Had an awkward goodbye handshake/hug moment	Called out to something in a dark house	Called someone the wrong name and panicked	Best Birthday Ever	Drank nothing for an entire day
Said something weird while half-asleep	walked into the wrong home	Masturbated right before going to sleep	Had a crush on a fictional character	Spammed your friend with TikToks at 3 a.m.
Confused being horny with having to pee	Confidently gave the wrong answer to something	BINGO	Spent way too long choosing an emoji	Got stuck in a hoodie
Got nervous ordering food and said the wrong thing	Dropped your phone on your face while lying down	Had a crush on a teacher	Started laughing at the worst possible moment	Ate nothing for an entire day
Accidentally called your teacher "Mom"	Walked into a clear glass door or window	Binged an entire season in one day	Got lost in your own neighborhood	Made plans but secretly hoped they'd cancel
