Walked into a clear glass door or window	Accidentally called your teacher "Mom"	Confused being horny with having to pee	Stayed in pajamas for 3 days	Had an awkward goodbye handshake/hug moment
Called someone the wrong name and panicked	Tried to learn origami	Liked Being horny	Been incredibly horny on your period	Someone saw what P*rn you were watching
Tried going vegan	Wrote a fanfic	**FREE**	Binged an entire season in one day	Got nervous ordering food and said the wrong thing
Had a crush on a fictional character	Stayed up till 4 am	Had a crush on a teacher	Got caught doing something embarassing by parents	Had 'private time'right before going to sleep
Dropped your phone on your face while lying down	Called out to something in a dark house	Said something weird while half-asleep	walked into the wrong home	Confidently gave the wrong answer to something
