Walked into a clear glass door or window	Accidentally called your teacher "Mom"	Dropped your phone on your face while lying down	Stayed up till 4 am	Had 'private time' right before going to sleep
Confidently gave the wrong answer to something	Tried to learn origami	Said something weird while half-asleep	Binged an entire season in one day	Stayed in pajamas for 3 days
Tried going vegan	Wrote a fanfic	FREE	Called out to something in a dark house	Had a crush on a fictional character
Had a crush on a teacher	Tried exotic food	Had an awkward goodbye handshake/hug moment	Got nervous ordering food and said the wrong thing	Liked Being horny
Got caught doing something embarrassing by parents	Called someone the wrong name and panicked	Someone saw what P*rn you were watching	walked into the wrong home	Confused being horny with having to pee
