Tried to learn origami	Accidentally called your teacher "Mom"	Confidently gave the wrong answer to something	Stayed in pajamas for 3 days	Had a crush on a teacher
Called out to something in a dark house	Tried going vegan	Had 'private time' right before going to sleep	Binged an entire season in one day	Said something weird while half-asleep
Tried exotic food	Walked into a clear glass door or window	FREE	Bought an manga	Got caught doing something embarrassing by parents
Got nervous ordering food and said the wrong thing	Stayed up till 4 am	Had a crush on a fictional character	Dropped your phone on your face while lying down	Had an awkward goodbye handshake/hug moment
Confused being horny with having to pee	Bought something illegal	Liked Being horny	walked into the wrong home	Called someone the wrong name and panicked
