

B	I	N	G	O
We like to party	525600 minutes	Girls just wanna have fun	Saturday night	Macarena
Crazy in love	Toxic	Poker face	About damn time	Titanium
Yeah - usher	Backstreets back	Let it go	Living on a prayer	The greatest showman
Love shack	Sandstorm	Gold digger	One day more	Can't wait to be king
Shake it off	Defining gravity	You can't stop the beat	Freed from desire	Hot to go
