Your most daring fantasy	A celebrity you'd love to date	Call someone and confess a silly crush	The biggest lie you've told on a date	Pretend to be a famous actor in a romantic role
A time you got caught doing something naughty	Whisper a secret into someone's ear	Share a seductive wink with someone	A guilty pleasure you've never admitted	The wildest thing you've done in public
A hidden talent you've never shared	Draw a heart on someone's arm	FREE	Kiss the person to your left	The riskiest place you've had a romantic moment
Let someone text a random emoji from your phone	Swap a piece of clothing with someone	Do a dramatic reading of a romantic poem	Serenade someone with a love song	Dance like nobody's watching
A secret you've kept from your partner	A time you cheated on a game	Share a compliment with each person in the room	Attempt a funny pick-up line	Something you've done but would never do again
