I'm struggling...	Can I play with you	Can you please repeat that	I need help...	I didn't get a sheet
Can you give me space	I'm struggling...	I don't have the right materials	Can I play with you	I'm having a hard time with...
Please stop!	Can I please take a break	Can you please turn it up	Go and find someone to help	I need some more time
I am feeling...	I don't have the right materials	Can you please repeat that	I didn't get a sheet	Can I please take a break
I need some more time	Can you give me space	Please stop!	Can you help me understand...	Can you please turn it up
