Like fried chicken sweet potato watermelon or basketball	"Can I touch your hair?"	Been to a black barbecue	Felt uncomfortable around white people	Cried because you were getting your hair done
Been the only black person in the room	Have to use extra-stretchy hairbands	Ever had your hair compared to a puff/floof etc.	Been ashy while wearing lotion	Had to go to school/out with messy/frizzy hair
Wished to be lighter or darker before	Been called the N-word	I AM BLACK	Don't know your family heritage well	Been told you look "exotic"
Been made fun of for your nose/lips/skin etc.	Been told you're ghetto	Gotten extra nervous around police	Code switched or heard someone code switch	Ever smelled like hair product
Had 3 racist jokes made around/about you in one day	Been told you act white	Been told "black people aren't attractive"	Disliked your features before	Been compared to chocolate
