Is trying to heal from something	Believes in energy or intuition	Had a crush you only ever saw in the corridor	Has said "I'm over it" while clearly not over it	Has felt bored throughout the meeting
Feels more comfortable giving than receiving	Has written a journal or diary	Has forgiven someone who did not apologize	Believes in second chances	Has had a conversation that changed their perspective
Has stood up for someone else	Thinks their younger self would be proud of them	FREE	Believes love can be unconditional	Has changed their definition of success
Has cried during a movie or while reading a book	Has sat in silence with someone and felt connected	Has eaten something off the floor using the 5-second rule	Has changed because of a book or movie	Has felt completely understood by someone
Has asked ChatGPT to help flirt	Feels deeply when others are in pain	Has ghosted someone in the past	Wants to leave a legacy	Finds beauty in everyday things
