

B	I	N	G	O
Tries to do a handstand or other stunt	Drinks someone else's drink by accident	Overuses the word "literally"	Takes a selfie with everyone	Spills snacks everywhere
Laughs uncontrollably	Tries to DJ or change the music	Starts dancing with no music	Ends up lying on the floor	Takes a "mystery shot"
Texted an ex (or almost did)	Tries to leave but gets distracted for 20 minutes	FREE	Forgets what they were saying mid-sentence	Sings loudly (and badly)
Slurs words obviously	Tells the same story twice	Spills a drink	Shouts "SHOTSSS!"	Starts a deep conversation out of nowhere
Randomly hugs someone	Insists "I'm not even drunk!"	Starts fake crying or gets too emotional	Trips over nothing	Loses their phone then finds it
