Strategic avoidance of emotional elephant in the room.	"Are you sure you don't want to eat that?"	Merciless teasing of most vulnerable family member.	Someone gets too drunk and passes out before dinner.	Screaming about something minor.
Dirty looks between our dad and his sisters (angy)	Storming out in anger.	Simmering resentment about the dog getting to sit at the table.	"Der Fisch ist aber gut"	Someone crying in the bathroom.
Someone sneaks outside to smoke a joint.	The youth does not want to work anymore.	AWKWARD SLIENCE FREE SPACE	Creepy uncle says something inappropriately sexual.	Quiet whispers from across the room.
Random comment about how fat someone is.	Someone makes up an excuse to leave before dessert.	Revived Sibling Rivalry from 10 years ago.	Overtly racist rant.	Shit-talking about someone at the next table.
Oblivion dialog about random topic.	Curse word said in front of a child.	Snarky comment about the green beans that's not actually about the green beans.	Unnecessarily aggressive knife and fork plate scraping.	Grandma says something super mean about the guests.
