

B	I	N	G	O
They suggest a social story.	"Have you tried a token board" gets mentioned.	Out of date paperwork is passed around.	The BCBA says: We need more data.	Someone says Data Collection 3 times.
Introduction of a new acronym you've never heard.	The principal rolls their eyes.	Someone suggests a Fidget toy for your child.	FREE SPACE	The "Parent is an expert" Square.
The principal is 30 minutes late.	You realize you know more about their school district policies than they do.	FREE	Goal is the same as last year just rephrased.	Someone asks: Can't you just try (something you've been trying for years).
Someone cries.	The meeting starts exactly on time (unheard of!).	Someone mentions self regulation 5 times.	Principal gives you a compliment	Someone says: We can't provide that because of funding.
Overly Enthusiastic Description of a Minimal Gain.	IEP Meeting Goes Over one hour.	The "It's a Living Document" Square.	Your IEP meeting notes are longer than 2 pages.	New cutting edge intervention that sounds exactly like the old one.
