They suggest a social story.	"Have you tried a token board" gets mentioned.	Out of date paperwork is passed around.	The "Parent is an expert" Square.	Someone says Data Collection 3 times.
Introduction of a new acronym you've never heard.	The principal rolls their eyes.	Someone suggests a Fidget toy for your child.	FREE SPACE	The principal is 30 minutes late.
You realize you know more about their school district policies than they do.	Goal is the same as last year just rephrased.	FREE	Someone asks: Can't you just try (something you've been trying for years).	Someone cries.
The meeting starts exactly on time (unheard of!).	Someone mentions self regulation 5 times.	The "It's a Living Document" Square.	Overly Enthusiastic Description of a Minimal Gain.	Someone says: We can't provide that because of funding.
IEP Meeting Goes Over one hour.	The BCBA says: We need more data.	New cutting edge intervention that sounds exactly like the old one.	Your IEP meeting notes are longer than 2 pages.	No one has actually read the Previous Year IEP.
