

Ellen's Dirty 30

Take a group photo recreating a movie poster of your choice	Air guitar to a whole song	Drink a glass of water (only after 5 drinks)	Sing a song out loud-Random not the song being played	Make a short rap about someone at the table
Do a toast about the most random thing	Steal a part of a costume from someone	Rock Paper Scissors with a stranger-Loser has to buy drink	Dance behind someone without them noticing	Selfie with at least 4 strangers
Speak in a different accent to 2 different strangers	Tell a knock knock joke	Turn up	Do a contemporary solo on the dance floor for 1 minute	Get someone to say the word penis without asking them
Guess the person that will be the first to leave	Sing your order to the bar person	Invent a drinking game on the spot	Get a free drink	Photo bomb
Find someone with the same birth month	Do a shot with a stranger	Screenshot your phone at 20:26	You have to taste everyone's drink at the table without them noticing	Do not drink with your right hand-or drink 2 fingers
