Two lovers in the same 48hr period	Been caught having sex	Had a lover take nude photos of you	Played strip poker	Had your ass Played with
Gave a blowjob to someone you just met	Swallowed cum	Masturbated in the shower or bath	Been fingered in public	Sucked a cock in public
Watched someone else have sex	Been fingered to orgasm	Had sex outdoors	Had someone watch you have sex	Sent nude pics
Had unprotected sex on purpose	Orgasmed while being eaten out	Had a lover who was too big to take all the way	Masturbated in a public place	Fantasized about a girl you knew while masturbating
Recieved a facial	Given roadhead	Watched someone else masturbate	Gone skinny dipping	Had phone sex
