BHall BINGO

Someone says "That's what she said."	Can sing the alphabet backwards	Has gone skinny dipping	Someone forgets it's her turn	Has never sung karaoke
Forgot to pick up one or more of your kids	Someone quotes a movie	Laughs so hard she snorts	Can use your boobs as a shelf	Someone misplaces her drink
Someone spills their drink.	Cheated during a test	**FREE**	Has hit a homerun	Has kissed more than 1 person in a night. (Not family or friends!)
Someone hides something from another player	Has never pooped at work	Someone eats more than they play.	Has had a weird pet	Has peed your pants as an adult
Drops something down her shirt	Someone gets the giggles and can't stop	Had a phone connected to the wall	Uses "balls" in any context	Has been in a police car
