The party sets something on fire - intentionally or not.	A player forgets their spell components.	Someone forgets their character's name.	The DM sighs dramatically.	Someone says "I cast Eldritch Blast."
A player tries to flirt with the first NPC they meet.	The group adopts an animal or random NPC.	Someone uses a spell slot on something completely unnecessary.	A player introduces themselves in character for the first time.	The DM says "Are you sure you want to do that?"
The bard sings... poorly.	The party spends 20 minutes arguing about which direction to go.	FREE	A player introduces tragic backstory mid-combat.	Someone rolls a natural 1.
Someone rolls a natural 20.	The DM's NPC voice gets roasted by the players.	Someone says "Wait what's my AC again?"	Someone references Critical Role or Baldur's Gate 3.	Someone says "I didn't mean to do that!"
Someone forgets to add their modifier.	A player rolls Perception just because they're paranoid.	The DM has to explain what "initiative" means.	The rogue immediately tries to steal something.	Someone dies or drops to 0 HP in the first encounter.
