

Critical analysis of Ed Auto.

Explains the meaning of "meso-level"	Explains the meaning of "macro-level"	Includes demographic data about a place or school	Cites Oakes (2005) AND Warikoo (2022)	Does not provide an overview of their entire K-12 trajectory
Raises a question and answers it within the paper	Provides city/town data about a place	Visited the Writing Center to get feedback on this paper	Used the rubric to write their paper	Illustrates how social capital operates
Gives example of a social identity	Includes a verbatim quote from Lewis and Diamond (2015) to support a point	FREE	Illustrates an example of "tracking"	Made me think differently about something
Cites Lareau (2014)	Cites Ladson-Billings (2006)	Challenges a concept discussed in class	Uses the term "conflict theory"	Analyzes Institutional norms and values for a specific institution
Uses the term "stratification"	Explains the meaning of "micro-level"	Includes 3-5 citations from course readings	Names and uses Bonilla-Silva's (1997) racialized social systems to analyze an experience	Names explains and illustrates the "hidden curriculum"
