

I've been spanked

on the couch	after getting my butthole inspected	by a woman	on a bridge	in multiple states
at a hotel	on the beach	in the car	and got so wet I dripped	in the woods
on my birthday	on top of a hill or mountain with a view	Just because	and it's online	in front of a fireplace
in front of an audience	on a staircase	in front of my pet(s)	in every room of the house	in public
in a tent	and made a video	in the kitchen	with another person getting spanked	at the office
