

I've been spanked

on the couch	after getting my butthole inspected	in a tent	in the woods	in public
at a hotel	on the beach	in the garage	and got so wet I dripped	on my birthday
on top of a hill or mountain with a view	and it's online	FREE	in front of an audience	in front of my pet(s)
on a staircase	in multiple states	in the kitchen	in every room of the house	in the car
and made a video	on a bridge	at the office	with another person getting spanked	by a woman
