Thou salt not kill	A person's a person no matter how small	Babies are people too!	Protect the unborn	Love them both
Abortion is not healthcare!	Support the culture of LIFE	Pray to end abortion	Abortion - USA's leading cause of death	Pro-woman pro-baby pro-life
Smile you survived abortion	Two bodies two hearts	FREE	Abortion defies natural law!	Fearfully and wonderfully made
From conception no exception	Save the baby humans!	It's a child not a choice	Do fathers get a choice?	Make womb for love
Choose life the way your mom did!	Abortion is SUS!	Pro-life generation	What about the BABIE'S choice?	As a former fetus I oppose abortion
