Survives on caffeine	"Lost" a particularly annoying toy	Caught throw up in your hands	Public toddler meltdown	Has on a stain free shirt
Bribed your children with candy or screen time	Spent the entire day in the clothes you slept in	Is Pregnant	All laundry is clean	Pinterest mom fail
Someone says "enjoy every moment"	Used Mom voice today	FREE	Amazon package on the porch (again)	Gotten a kids song stuck in your head
Has 5 kids or more	Slept more than 4 hours last night	Has less than 3 kids	Drives a minivan	Hiding in the bathroom
Cold coffee	Apologized to a stranger for something your kid did or said	Picked a booger out of your kids nose	Used dry shampoo 3 days in a row	Broken the 5 second rule
