2026 Predictions

Nobody in our flat sets off the fire alarm for the rest of the school year	By the end of the year I am no longer scared of being romantically abandoned	I actually do the URSS project	I start consistently attending a non-improv society's events	I go to a non-TDH concert
Fio and I stay together	My clothing style measurably changes	I meet up with an online friend I haven't met up with before	CS141 is my favourite Y1 module	I read less than 5 books in full
Jon and Jasmine are dating at the end of the year	One of my Solitaire Day projects is more impactful than 9	Dan and Nima stay together	Dan Graham does psilocybin	I become improv exec (again)
I get a 1st in first year	I stop taking morning showers	I get above 80% in CS140	I apply for a non-software-dev year in industry	I have a major breakdown
I am doing regular exercise for more than half of the year	Deltarune Chapter 5 is the best one so far	I perform at the Edinburgh Fringe	Wizards with Guns Hot Ones remake happens	Harry shows up to improv again LEQ 5 times
