

Charlie's 2026 BINGO

Switch to android	AI apocalypse (actual or just downstream)	Finish a song	Reconnect with one friend from college	New job
Chicago trip between jobs	Stupid injury	Noah's brain is just like that	Anti-work goes mainstream post-economic downturn	Read more than 2 fiction books one of which is fantasy
Stay on one (1) antidepressant for the whole year	Trump dies (toilet optional)	Turn 24	April listens to Getting Killed	Landlines make a comeback
Make a new friend	Redetermine sexual identity	Make a second new friend	Get addicted to the runner's high	New s/o
Finish an art piece	Bee hug (finally get stung by a stinging insect)	Pay off a third student loan	Try improv (w/ Sam?)	Finish Expedition 33
