

B	I	N	G	O
I watched a movie	Aaron Logan's session is my favorite	I exercise outdoors when possible	I provided constructive feedback this week	I have watched the sunrise
I bring my lunch everyday	I was caught doing good recently	I learned something new this week	I am excited about this session	I shared an innovative idea
I will/or did eat school lunch	I am superstitious	CTE Free Space	I have been to Florida	I have been to an escape room
I said a thank you	I have walked to school	I live in Brainerd/Baxter	I got 10 000 steps once this week	I know everybody in this session
I ate breakfast this morning	I read an article/book this week	I collaborated across grounds	My favorite sports team is from Minnesota	I cooked dinner last night
