Why don't I get any pictures?	Are you STILL breastfeeding? How often?	He's exactly like Philipp	We don't like being told when and how long we are allowed to visit.	So sad you only have boys. Don't you want to try for a girl?
He doesn't know us at all.	Why didn't you tell us that?	Such a shame you live so far away / the visit is so short	Are your sure you don't have postpartum depression? You seem like it.	The poor child is cold. He's going to catch a cold.
When are YOUR parents coming? How long are they allowed to stay?	You don't want anything from us. You never like our gifts	FREE	Can I put him to bed? *Attempts covertly to put him down for a nap and shut the door*	I could never have sent my children to daycare.
I raised 13 children.	We hardly ever see each other	My children used to... My children never did that...	He's tired	Something negative about Hanover / the people / the weather
He's hungry / he's not getting enough to eat	Does he sleep through the night yet? Are you sure he can sleep next to you? You're not disturbing him?	The child isn't getting anything to eat	You think you know everything!	He needs water / proper food
