This has been going on for months/years	Can someone restock the rooms?	I need a steroid	Pt checks in then uses restroom	Oh by the way..
I didnt bring anything with me (ID/insurance)	Symptoms started this morning	Patient c/o getting on scale	Chest pain x 5 days	Patient talking on phone in lobby
Red flag at 0730pm	ear pain	FREE	Foreign body	Laceration
MVA	Pt in pajamas	Marijuana smell	I think I have RSV	Paronychia
I need a work/school note after getting discharged	Here for one child but talking about another one	Patient coming in with slippers	you dont have an ultrasound machine here?	I need a pregnancy test
