I work Night Shift	44	I am a TEAM PLAYER	I multitask like a pro	I forgot to clock in/out
Had to leave the room for supplies	I won the Daisy Award	I know how to use a VNS	6171	I love my job
I received a good hand off report	I work on unit 3	FREE SPACE	Asked for help last week	I document Respiratory assessments on my shift
I document nursing assessments on my shift	I picked up this shift for someone else	I drank caffeine before my shift	I asked for help last week	I know how to get prescriptions from a chart
I am a nurse preceptor	Good Life	I know the process for discovering a med error	Offered a co-worker help today	I am a PRN employee
