

NURSE BINGO

I work Night Shift	44	I am a nurse preceptor	I picked up this shift for someone else	I know how to get prescriptions from a chart
I am a TEAM PLAYER	I won the Daisy Award	I know the process for discovering a med error	Asked for help last week	I multitask like a pro
I trained someone new	I work on unit 1	FREE SPACE	Had to leave the room for supplies	I document nursing assessments on my shift
I drank caffeine before my shift	I received a good hand off report	I forgot to clock in/out	I document Respiratory assessments on my shift	I know how to use a VNS
I brought lunch for a co-worker	I am a PRN employee	I love my job	Offered a co-worker help today	I am a full-time employee
