You mention Talent Fusion or Core	30th call for the blitz	Left Voicemail	We don't have staffing needs	They have your info
Facility remembers you from before	You ask about PRN	Transferred to POC	Asked to follow-up at another date/time	We are using Indeed/ZipRecruiter
You Mention Medely During Call	You schedule a demo	FREE	Call tree just loops	POC left the company
Send over some additional info	We have a vendor for that already	They have a difficult to fill position	POC doesn't work there anymore	They say we are a small office
Our corporate office handles that	Facility recommended a different POC	Unable to Connect	You schedule a follow-up task	GK Says No Needs
