Where is the gym?	Bathroom flooded.	High up with river view.	There is a mouse in my room!	Noise complain
Can you sell me alcohol?	Where is the garage?	Shower not draining.	Can I check in early / check out late?	What time does the bar open?
Window lights can't switch off.	Can I open the windows?	I requested a bathtub.	I want extra pillows.	What time / where is breakfast?
My room was not cleaned.	TV not working.	I booked a bigger room.	Room too hot/cold!	Can I use your toilet?
There is no extra bed!	Curtains not closing.	Your website said you have bikes.	Do you have a sauna/pool/spa	I do not want bunk beds.
